

# MEITAV CENTER

## GROUND FLOOR

(Street Level Access)

In quite possibly the busiest area for pedestrian traffic in the city, there is direct street level access to all 9 venues offering 44 - 120 SQM.

Each venue offers the ability to be built in a 'loft' configuration to maximize product display area to almost double, and increase client accessibility. Bathroom facilities are included in each venue; floor to ceiling glass front for maximum exposure!

VENUES 1-4	Rented
VENUE 5	50.5 SQM
VENUE 6	44.7 SQM
VENUE 7	44.7 SQM
VENUE 8	80.5 SQM
VENUE 9	120/160 SQM
